Here are some
tips...

1. Your username is always your 9-digit PEN (personal education number), without any zeros in front. You can ask the office for this if you've forgotten it. Write it down!
2. Your password has to have at least 8 characters, including 1 number, 1 lowercase letter, 1 uppercase letter, and 1 symbol.
3. Try to reset your password by yourself.
4. If none of the above work, then contact Ms. Lowe.
